

- 1.) Read the focus questions and analyze all of the resources on the Native American Cultural Region Twitter board.
- 2.) Discuss the answer to the focus question with your group.
- 3.) Record information on your chart.
- 4.) Post a short-answer response on the Twitter board.

Task Questions: Using the sources and your knowledge of U.S. Regions, determine the cultural region of the Native American group on each Twitter board and identify the natural resources in the area. How did the Native Americans use the resources in their area to survive?

Table Twitter Terms

- **Twitter** is an online news and social networking service on which users post and interact with messages known as tweets.
- **Tweet** - A brief written message posted on Twitter - 3 sentences that answer the question and provide strong evidence
- **Username** - @studentname
 - Write at the end of your tweet.
- **Respond to Peers** Write @studentname at the beginning of your tweet.
- **Hashtag** - #topic
 - Include a # before or after your username. Hashtags refers to a topic, keyword, or phrase. Hashtags are like main ideas and can also add humor. Be careful not to over-hashtag your tweets. #topic #belever #toomanyhashtags
- **Thread**
 - A series of messages that have been posted as replies to each other.
- **Retweet**
 - Saying the same thing. This is not allowed. Come up with new ideas for each tweet and each response.

Twitter Example

Tweet

The images of igloos and people dressed in fur show that this native group lived in the Subarctic region. They used resources such as ice to build homes and animal fur to make warm clothing. #brrrrr. #doyouwanttobuildasnowman @katiecoyne

Response

@katiecoyne This group might be called Inuit. They also fished for food. #icefishing @johnsmith
